**Somerset Community College  
Implementation of Campus Visit Recommendations**

The committee conducted a campus visit at Somerset Community College November 13, 2007, adopted the final report (attached) of the campus visit February 19, 2008, and requested that a report regarding the implementation of the recommendations be given at the April 21, 2008, meeting. Because of prior commitments of the president, it was agreed to delay the report until the October meeting. The report is expected to identify strategies used by the institutions to implement each recommendation and includes discussions regarding the level of success and how success is evaluated. Representatives of Somerset Community College and the Kentucky Community and Technical College System will present the report.

Status reports are intended to assist the CEO in addressing its responsibility to monitor institutional progress in implementing *The Kentucky Plan for Equal Opportunities* and *The Partnership Agreement* with the U. S. Department of Education's Office for Civil Rights.

A written report is attached.
